

DATA SHEET

# SIGNAL HEAD COVERS

12" 3-Section, 4-Section, 5-Section  
16" Pedestrian Signal Cover

● RAI Products Signal Covers are durable, reusable and inexpensive. Don't use burlap or black plastic bags to cover OUT OF SERVICE signals when there is a much better solution.

## At A Glance

- Made from durable fade and mildew resistant polyester
- Rated for wind speeds up to 90 MPH
- Reduce call-backs due to makeshift covers blowing off
- Can be reused
- Mesh Front Panel for visual confirmation during test and burn-in
- Manufactured in the USA
- **Same Day Shipping!**

# SIGNAL HEAD COVER SPECIFICATONS

## Front Panel:

- Made from durable black polyester with a water repellent and mildew resistant coating at a nominal thickness of .021".
- Incorporates a lock stitch to attach the front panel to the side panels.

## Mesh Panel:

- Made from a gray polyester mesh with a water repellent and mildew resistant coating at a nominal thickness of .021".
- The mesh panel is positioned in the center of the cover, running vertically, the full length of the cover.
- Incorporates a lock stitch to attach the mesh panel to the front panel.

## Side Panel:

- Made from black nylon with a water repellent and mildew resistant coating at a nominal thickness of .009".
- The side panel is designed to contour fit, over and around, the visors with the use of elastic nylon cordage sewn into the rim of the side panel.

## Font:

- Arial
- Nominal 3 1/4" "Out of Service" lettering
- Screen-printed with a standard white screen printing ink.

## Straps:

- Made from black polypropylene webbing.
- Each strap in a minimum of 64" long by 1" wide at a nominal thickness of .045"; running continuously across the facing of the Red and Green sections.
- The strapping has a minimal length of 64 inches to allow for the traffic signal cover to be applied and fastened when a back plate is affixed to the signal.
- Ends are doubled over and tacked to ensure the adjustable buckle does not slide free of the strap.

## Hardware:

- Made from black acetal.
- Adjustable side release buckles.
